

PMSC 21

Powder Metallurgy Association of India

25th–28th September, 2021

More details & online registration
at www.pmai.in

Short Course in Powder Metallurgy (PMSC)

PMSC has an extensive curriculum covering the complete portfolio of PM technologies. Participants will acquire a fundamental understanding of the science & practice of PM as well as the breadth of the subject. Course duration may extend to One week as it will be offered through digital mode using suitable cloud platform.

Participants will be required to undergo online test on the content taught in the course for knowledge acquired and will be issued a certificate by PMAI. Participation is restricted to 60, first come first served.

The course is useful for:

- Line Executives & Project Managers
- Maintenance & Process Engineers
- Application Development Engineers
- Materials Research Scientists / Engineers
- Consultants
- Teaching & Research Faculty
- Students

Takeaways

- Good understanding of all PM technologies & processing techniques
- Clarity on & selection criteria for technologies & materials for different applications
- Understanding of material degradation mechanisms under different working environments
- Illustration of and guidelines for successful product development
- Product characterization and performance evaluation methods
- Introduction to manufacturing standards
- Course completion certificate

Topics

- Powder Production
- Characterization of Powders
- Consolidation of Powders
- Design and Fabrication of Dies and Tooling
- Sintering
- Characterization and Evaluation of Sintered Components
- Powder Injection Molding (MIM + CIM)
- Sintering Furnaces and Atmospheres
- Heat Treatment & other downstream processes & equipment
- Quality in PM Manufacturing
- Porous PM Materials
- Advanced Ceramics and Composites
- Aerospace and Defense Materials
- PM in Nuclear Engineering and Energy Generation
- PM in Bio Materials
- Friction Materials
- Additive Manufacturing (3D printing)

Faculty

A judicious mix of experts from industry and academia comprise the faculty for PMSC 21.

■ Note to Participants :

For good quality reception of online lecture through suitable cloud platform, you are requested to ensure that throughout the sessions there is adequate bandwidth of internet, workable and tested audio system (viz. ear phone, head phone, etc.) at your end. Please ensure that your seating place is having simple background and is free from disturbance / noise. Otherwise, it may disturb you as well as the speaker during this online mode of interaction.

DELEGATE TYPE	AMOUNT PAYABLE PER HEAD #
	Rs.
PMAI CORPORATE / INSTITUTIONAL MEMBER	4000.00
PMAI LIFE MEMBER	5000.00
NON MEMBER **	6000.00
STUDENT	2000.00
# 18% GST Tax is included in the fee.	
** includes PMAI membership fee	
Invoices will show the tax separately for refund where applicable.	
The delegate fee includes: course material in the soft form & certificate.	

Payment Options : (Bank drafts / transfers to " Powder Metallurgy Association of India")

By Cheque or Demand Draft	Inland wire transfer (NEFT/RTGS)
Send it along with a covering note to: Director Powder Metallurgy Association of India 102, Anandi, 1st Floor, M.B.Raut Road, Shivaji Park, Dadar, Mumbai - 400 028, India Email: pmscpmai@gmail.com ■ Website : www.pmai.in	Name: Powder Metallurgy Association of India Bank : Canara Bank Branch : IIT Powai branch Account No.: 2724101092229 IFSC Code : CNRB0002724 (copy of bank transaction slip may be emailed to pmscpmai@gmail.com for confirming your registration)

Name of the host institute

Dept of Metallurgy and Materials Science
 College of Engineering, Pune.
 Shivaji Nagar, Pune - 411005

email : pmscpmai@gmail.com

Convener: Dr. S. P. B utee

Co Convener : Dr Vaishali Poddar

Dept. of Metallurgy and Materials Science
 College of Engineering, Pune
