The **Powder Metallurgy Association of India** an association of Indian and overseas PM professionals from industry, research institutions and academia, is conducting its annual international conference for the year 2025 in Mumbai.

Mumbai has a population of over 20 million. The majority of large Indian industrial houses are based here, the Tatas, Birlas, Essar, Fiat, Mahindras, Godrej, Johnson & Johnson, Ambanis, Firodias, Jindals, Biyanis, Eicher, Ordnance Factories as well as scientific institutions like BARC, NPCL, IREL, TIFR, IIT and the Department of Atomic Energy.

**Venue:**

**CIDCO Exhibition Centre, Vashi, Navi Mumbai, Maharashtra 400703, India**

**Conference Language:** English

**Technical Sessions**

Powder metallurgy, the preferred net shaping method for manufacturing complex parts in steel, stainless steel, copper alloys, refractory metals, hard metals, heavy metals, ceramics and composites has been around for some time but is now getting a boost with increased energy and environment consciousness. The development of lifestyle & health devices, VVT, hybrid vehicles, electric vehicles, fuel cells, catalytic converters, composite electrical contacts, advanced sensors, light weight components and thermoelectric devices have been made possible by the use of several technologies that comprise the science & practice of Powder Metallurgy and Particulate Materials. The conference addresses these and related developments by way of presentations made by experts in each field during the plenary sessions.

The concurrent 50<sup>th</sup> Annual Technical Meet of PMAI provides a platform for researchers from industry & academia to present their work.

**Topics**

Industrial PM (Press and Sinter) Technology for Auto, Electrical And M/C Parts	Additive Manufacturing (AM)
Powder Injection Molding (MIM CIM)	Testing & Data Mining
Compaction & Other Forming Processes	Heat Treatment & Surface Engineering
Compaction Equipment	Materials For Energy Generation & Storage
Sintering & Post Sintering Processes	Laser Sintering, Cladding and Coating
Hard Metals & Diamond Tools	Dimensional Control
Development Of Materials & Alloys for Emerging Applications	Spark Plasma & Hot Press Sintering
Refractory Metals	PM Factory Automation
Technical Ceramics & Composites	Magnetic Materials
Modeling & Simulation	Materials For Aerospace, Defence & Nuclear Apps.
Powder Production and Characterization	Binder And Feedstock Development
PM In Bio-Medical Apps & Devices	Hot Isostatic Pressing (HIP)
Functionally Gradient Materials	Waste Management
Vehicle Weight Reduction	Porous Materials
E-mobility & Electric Vehicle	Battery & Energy Materials

- **Industry Presentations on Product and Services**
- **Start up can Present related to Conference Broad Themes**

**Call for papers**

Extended abstracts (1000 words, max. 2 figures) of papers for oral presentation are to be submitted electronically (on-line only) at [www.pmai.in/pm25](http://www.pmai.in/pm25) before the deadline. All accepted abstracts from authors who are registered delegates will be published in the conference guide and distributed to all attendees.

Acceptance of abstracts	01 Feb, 2025
Submission of the complete paper*	07 Feb, 2025

\*Only complete papers that are received by the deadline and presented at the conference will be published in the transactions of PMAI (after peer review) **and be eligible for awards.**

## Awards For Students & Young Professionals

Several amazing awards are being offered during PM25 and other generous grants.

Details at [www.pmai.in/pm25](http://www.pmai.in/pm25)

### PMAI Best Product Awards

These awards are given for the best PM products (raw materials, equipment, processes & PM parts) developed in India which are in commercial production.

Deadline for submission of detailed product descriptions and photographs or figures is 10 Feb, 2025. PM parts must be on display to qualify for awards.

### Exhibition (open to public)

A limited number of pre-fabricated stalls are available to all sponsors of PM parts manufacturers and suppliers of materials, services and equipment to the PM industry. Each stall is equipped with 3 spotlights, 1 power outlet 220 VAC single phase 6 Amps, 1 table, 2 chairs & 1 dustbin. The exhibition is in foyer near conference hall. Heavy machinery can be exhibited.

Exhibitors will be listed in the conference guide and are entitled to two free delegate registration. For more information please email [director@pmai.in](mailto:director@pmai.in)

**Exhibition will take place for three days from 19<sup>th</sup> and 21<sup>st</sup> February 2025.**

Exhibitor Booths are reserved for our sponsors.
